PDX Community Advisory Committee Meets Oct. 19

Portland International Airport Community Advisory Committee meets from 12:30-1:20 p.m. Oct. 19 in the conference center in the airport terminal. The community is invited and public comment is welcome. The meeting is in St. Helens Conference Room B.

The meeting will provide an update on the natural resource program associated with Airport Futures, a three-year planning process which created a long-range plan for PDX. A public comment period is scheduled at 1:10 p.m. Then, the committee will take a planning and development tour of the airport. The full meeting [agenda](#) is available at www.portofportland.com.

The 30-member advisory committee is an outgrowth of Airport Futures. The committee is charged with providing meaningful input on airport-related planning and development, and overseeing implementation of the Airport Futures plan. The committee is sponsored by three entities: City of Portland, Port of Portland and City of Vancouver, and meets quarterly.
