PDX Community Advisory Committee Meets April 6

Portland International Airport Community Advisory Committee meets from 12:30-3:30 p.m. April 6 at the Port of Portland headquarters, 7200 NE Airport Way. The community is invited and public comment is welcome. The meeting is in the Chinook conference room on the eighth floor.

In addition to regular PDX updates, the meeting will include discussion of the airport's seismic resilience, environmental objectives and targets, and stormwater master plan. A public comment period is scheduled at 2:45 p.m. The full meeting [agenda](#) is available at www.portofportland.com.

The 30-member advisory committee is an outgrowth of Airport Futures—a three-year planning process which created a long-range plan for PDX. The committee is charged with providing meaningful input on airport-related planning and development, and overseeing implementation of the Airport Futures plan. The committee is sponsored by three entities: City of Portland, Port of Portland and City of Vancouver, and meets quarterly.
