## **PDX Community Advisory Committee Meets Jan. 20**

Portland International Airport Community Advisory Committee meets from 1:30-4:30 p.m. Jan. 20 at the Port of Portland headquarters, 7200 NE Airport Way. The community is invited and public comment is welcome. The meeting is in the Chinook conference room on the eighth floor.

The meeting will include airport updates on the concessions program, general aviation hangar development, Oregon Air National Guard mission and development, as well as other airport topics. A public comment period is scheduled at 3:30 p.m. The full meeting [agenda](#) is available at [www.portofportland.com](http://www.portofportland.com).

The 30-member advisory committee is an outgrowth of Airport Futures—a three-year planning process which created a long-range plan for PDX. The committee is charged with providing meaningful input on airport-related planning and development, and overseeing implementation of the Airport Futures plan. The committee is sponsored by three entities: City of Portland, Port of Portland and City of Vancouver, and meets quarterly.
