PDX Citizen Noise Advisory Committee Meets March 9

The Portland International Airport Citizen Noise Advisory Committee will meet from 5:30-8 p.m. Thursday, March 9 in the St. Helens B conference room in the airport. The community is encouraged to attend, and public comments and questions are invited at 5:40 p.m. The agenda includes a briefing on the Oregon Air National Guard's proposal to modify continuous descent overhead approaches at PDX. The full [agenda](#) is available at www.portofportland.com.

The committee is the Port of Portland's official forum for working with the community on issues related to aircraft noise. Committee representatives are from northwest Oregon and southwest Washington. Eleven members are appointed by various city and county jurisdictions, and four representatives are appointed by the Port in an effort to maintain geographic diversity on the committee. Technical assistance is provided by the Federal Aviation Administration and the Oregon Air National Guard.

For more information or directions to the meeting, please contact the Port noise management hotline (503) 460-4100 or (800) 938-6647. Those with special needs who plan to attend the meeting are asked to contact the Port for accommodations.
