PDX Citizen Noise Advisory Committee Meets Jan. 14

The Portland International Airport Citizen Noise Advisory Committee will meet from 5:30-8 p.m. Thursday, Jan. 14 in the St. Helens B conference room in the airport. The community is encouraged to attend, and public comment and questions are invited at 5:50 p.m. Among agenda items is the annual review of PDX noise abatement recommendations, and a briefing on the mission of the Oregon Air National Guard, which has a base at PDX. The full [agenda](#) is available at www.portofportland.com.

The committee is the Port of Portland's official forum for working with the community on issues related to aircraft noise. Committee representatives are from northwest Oregon and southwest Washington. Eleven members are appointed by various city and county jurisdictions, and four representatives are appointed by the Port in an effort to maintain geographic diversity on the committee. Technical assistance is provided by the FAA and the Oregon Air National Guard.

For more information or directions to the meeting, please contact the Port noise management hotline (503) 460-4100 or (800) 938-6647. Those with special needs who plan to attend the meeting are asked to contact the Port for accommodations.
