PDX Carpet Vendors Announced

Four local organizations are selected to receive and distribute iconic Portland International Airport carpet.

The selection results from replacing the beloved, nearly 30-year-old carpet. The iconic pattern of the carpet has become a social media phenomenon, and has inspired a vast array of products featuring its design.

Earlier this year, the Port of Portland advertised the opportunity for interested parties to obtain carpet to make available to the community. Four organizations out of 32 were ranked highest on their ability to make the carpet available. Each of these winning proposers will receive 1,000 square yards of carpet in approximately May to sell or otherwise provide to the community. Some recipients will create carpet products like floor mats, coasters, and wall hangings, and some will create artistic avenues for the public to experience the carpet.

Those interested in obtaining carpet are asked to contact the winning proposers directly via their preferred contact methods, as listed:
