Hillsboro Airport Air Fair Scheduled Oct. 17

Port of Portland invites you to experience the wonder of aviation at the 15th annual Hillsboro Airport Air Fair. The event runs from 11 a.m.-3 p.m. on Saturday, Oct. 17.

The free, family-friendly affair offers an opportunity to take a behind-the-scenes tour of the airport, test flying skills on a flight simulator, and see aircraft up-close. Attendees can take a ride in a helicopter for \$39 (number of rides limited; available on a first-come, first-served basis). Fairgoers also have a chance to win a free one-hour scenic flight. Food and warm beverages are also available.

Attendees can learn how Hillsboro Airport, established in 1928, plays a critical role in meeting aviation needs and in supporting the local economy. Owned and operated by the Port, the airport supports business and recreational flying, flight training, aircraft maintenance, air ambulance service, and aircraft fueling and storage.

The Hillsboro Airport Air Fair is located at 3355 NE Cornell Road, and free parking is available; or ride the TriMet MAX Blue Line to the Fair Complex/Hillsboro Airport station. The airport is ADA accessible. For more information, contact Andy Smith, 503.415.6450 or andy.smith@portofportland.com.
