Aeroméxico and Delta announce new routes and additional frequencies between Mexico and the United States

The airline partnership will increase competition and allow them to continue to expand their combined flight operations in 2018.

MEXICO CITY and ATLANTA, May 24, 2017 - Grupo Aeroméxico, S.A.B. de C.V. (México:AEROMEX.MX) and Delta Air Lines (NYSE:DAL) announce new routes and additional frequencies for customers flying between Mexico and the United States as part of their new joint cooperation agreement.

This year, the airlines will launch flights in five new routes and add frequency in four markets as the airlines leverage their joint expertise serving business and leisure markets.

“The strong relationship between Aeroméxico and Delta provides significantly more choice for our customers, and the changes we are announcing today underscore the level of integration, customer focus and commitment we bring to the transborder market,” said Nicolas Ferri, VP Mexico and Aeroméxico/Delta Joint Business.

“We are passionate about offering our customers the best of each airline. Our commitment is to put customers at the heart of everything we do, to offer them more destinations, frequencies and best in class services,” said Anko van der Werff, Chief Revenue Officer.
These efforts are part of the initial benefits customers will enjoy thanks to the joint cooperation agreement recently announced by the two airlines to offer better travel options, additional destinations and increased frequencies and schedules between Mexico and the United States.

**About Grupo Aeroméxico**

Grupo Aeroméxico, S.A.B. de C.V. is a holding company whose subsidiaries provide commercial aviation services and promote passenger loyalty programs in Mexico. Aeroméxico, Mexico’s global airline, offers more than 600 daily flights and operates its main hub out of Terminal 2 at the Mexico City International Airport. Its route network spans more than 80 cities on three continents including 44 in Mexico, 19 in the United States, 15 in Latin America, four in Canada, four in Europe, and three in Asia.

Grupo Aeroméxico’s fleet of close to 120 aircraft includes Boeing 787, 777, and 737 jet airliners and next generation Embraer 170 and 190 models. In 2012, the airline announced the most significant investment strategy in aviation history in Mexico, to purchase up to 100 Boeing aircraft including 90 MAX 737 airliners and ten B787-9 Dreamliners.

As a founding member of the SkyTeam airline alliance, SkyTeam offers customers more than 1,000 destinations in 179 countries served by the 20 SkyTeam airline partners, rewarding passengers with benefits including access to 636 premium airport lounges around the world. Aeroméxico also offers travel options with its code share partners Delta Air Lines, Alaska Airlines, Avianca, Copa Airlines, and WestJet with extensive connectivity in countries like the United States, Brazil, Canada, Chile, Colombia, and Peru.
