

PDX Citizen Noise Advisory Committee Seeks Members

The Portland International Airport Citizen Noise Advisory Committee is seeking a representative from the City of Vancouver, Washington.

The [committee](#) is the Port of Portland's official forum for working with the community on issues related to aircraft noise, and meets one evening every other month.

The committee representatives are from northwest Oregon and southwest Washington. Eleven members are appointed by various city and county jurisdictions, and four at-large representatives are appointed by the Port in an effort to maintain geographic diversity on the committee. Technical assistance on the committee is provided by the FAA and the Oregon Air National Guard.
