***Statement by Curtis Robinhold, Port of Portland executive director,  
regarding passage of House Bill 2017 Statewide Multimodal  
Transportation Package...***

Legislators made a historic investment in transportation that will contribute to progress and opportunity in our region. The Port is encouraged that legislation passed to assist industrial lands development and that legislators demonstrated state leadership with an investment in cleanup of the Portland Harbor Superfund Site and moved Oregon towards compliance with the Real ID Act to ensure the smooth flow of Oregon travelers through our airports.
