**Visiting Military Jets – Training Flights  
June 21-30, 2017  
Portland International Airport**

Portland/Vancouver metro area residents may notice a temporary change in aircraft operations due to additional military jet operations in and out of PDX from June 21-30, 2017

Visiting military jets (F18/Hornets) will be included in the daily training exercises routinely performed by the 142<sup>nd</sup> Fighter Wing of the Oregon Air National Guard. The addition of this aircraft type may or may not influence the typical noise exposure in the communities surrounding PDX.

Thank you for your understanding during these temporary conditions.
