**Visiting Military Jets – Training Flights
September 9-23, 2017
Portland International Airport**

Portland/Vancouver metro area residents may notice a temporary change in aircraft operations due to additional military jet operations in and out of PDX from September 9-23, 2017

Visiting military jets (F16\Falcon) will be included in the daily training exercises routinely performed by the 142nd Fighter Wing of the Oregon Air National Guard. The addition of this aircraft type may or may not influence the typical noise exposure in the communities surrounding PDX.

Thank you for your understanding during these temporary conditions.
